

General Student Alliance Meeting
September 23, 2009

President Barchus opens the meeting at 5:08pm.

ExComm and non-students introduce themselves, we review meeting and voting procedures.

President Barchus discusses Student Alliance as a entity; the recognized governing body of our school. Nate goes over the role of Department Representative and breaking down the boundaries between our departments. Nate also discusses the Programming Board and it's benefits, and we take nominations today. Questions arise about the details of the board including whether other events committees will be included.
